

Profile of Mr. Shailesh Rajagopalan,

Shailesh is an accomplished Operations veteran, having worked across various industry verticals. Starting out with building IT solutions for the Retail domain, he has vast expertise in building custom IT solutions structured around custom process automation flows, which in a manner make the IT solution almost a bespoke build.

Having built solutions for Retail, Gaming and Industrial segments, he gained immense insights into not just solution designing, but also understood the various nuances of people management. He believes in the core philosophy that Execution of any project is dependent more on effective management of People. Having spent over a decade in IT Sales and Operation management, he chose to endeavor to build an enterprise of his own.

He ventured towards building an IT Solutions company, specializing in Real-Time / Mobility technologies. While the startup outfit did well, in terms of wowing customers and users alike, in spreading awareness of the benefits that were an off-shoot derivative of deploying technology in the most plausible manner. Marquee names had been signed up as clients, however, despite all goodwill and effort, the company was not sustainable, as the market for its services at the time were limited.

Since then he has been helping build enterprises, coming on the board as amongst the first handful employees and running the mandate to build the businesses in sustainable manner, by nurturing the right talent, mentoring and motivating them to go above and beyond the call of their duty. In this journey he has been instrumental in rebuilding multiple enterprises.
